

STOMA ANNIVERSARY FUND

Donations to this fund celebrate an ostomate's second chance for healthy living following surgery. Donations usually multiply an amount set by the donor (\$1, \$5, \$10, etc.) times the number of years since surgery of the person they are honouring. Most donations come from the ostomate themselves with the following statement:

The anniversary date of my stoma is _____ and to celebrate my second chance for healthy living, I am sending the sum of \$ _____ per year since I had my ostomy surgery.

STOMA ANNIVERSARY CLUB
